

## **BEHAVIOUR PRINCIPLES**

As a school, we want children to feel safe and happy so they can learn. This happens best when children:

- Treat each other with respect by being polite, kind and helpful
- Listen to all adults who work in our school and do as they ask
- Respect our school aims and embrace our learning values
- Keep the school tidy and look after everything in it
- Behave sensibly and move calmly in and around the school
- Listen to what others have to say without interrupting
- Value everyone's individuality
- Play safely in a way that does not hurt or upset anyone
