- EYFS (2:30pm) and Team 3 (3:00pm) Open afternoons
- Team 2 Open afternoon
- Spring Music Concert
- Last day of term (Wear your own clothes day)

**NSPCC Dance-a-thon** All of the children took part in our sponsored 'Dance-a-thon' for the NSPCC today so we'd be really grateful if you could now help them collect their sponsorship money and then send it into school by Wednesday 5<sup>th</sup> February in order to support the NSPCC. Thank you.

**NSPCC Parents' Meeting** The NSPCC will be holding a parents' meeting on Monday 3<sup>rd</sup> February at 2:15-3:15pm for anyone who would like to come along.

**Children's Healthy Minds Week** Next week we will be working with all the children to raise awareness of the importance of keeping our minds healthy. On Thursday 6<sup>th</sup> February we will be participating in 'Inside Out' Day to raise awareness of the fact that sometimes people may look differently on the outside to how they feel inside. The children are therefore invited to wear an item of clothing inside out on that day in school.

**Indoor Athletics Competition Year 5/6** On Friday 24<sup>th</sup> January Mani, Seb, Alex C, Adams K, Oliver H, Billy, Ava J, Molly W, Grace S, Olivia H, Jasmine P and Tilly represented the school at the Indoor Athletics Competition at St Luke's College. All of the children participated in 3 field events and at least 3 track events. These included Long jump, Javelin, Speedbounce and Relays.

The children demonstrated so many positive behaviours and showed a really strong team ethic whilst being respectful to other teams. Congratulations to Molly and Ava who received 2 of the 6 Sporting Value certificates for showing examples of 'Honesty' and 'Passion'. This was a great achievement considering there were over 120 children competing. Very well done to you all.

**Cross Country Event** A group of KS2 children took part in the Killerton Cross Country event on Monday 27<sup>th</sup> January and they all had a fabulous time. The races all had over 150 children in them and the course became extremely wet and muddy! All of our pupils showed great perseverance and determination and managed to complete the course. The children behaved incredibly well even though they were rather muddy, wet and cold.

### **Climate Change Poster Competition**

Crediton Town Council are inviting all our children to make a poster about climate change. Tell people what you think is important. It could be about the land, the oceans, animals, pollution, waste or resources. Create your message however you choose - painting, drawing, collage or even design it on a computer if you like. Bring your entries to school by Friday 14<sup>th</sup> February. Write your name and class on the back. You could win a prize!

**Congratulations** to Jasper Kershaw who has been awarded the first Gold star award from Kidz Star Club for his great listening, sharing, helping to tidy up and for showing good manners. Well done Jasper.

Congratulations also to the Landscore swimming gala team who performed incredibly well on Wednesday at the Leisure Centre and represented the school brilliantly. The team managed to come second out of the Twelve schools who took part. Well done everyone - I was very proud of you all.

Final congratulations must go to Amelie Wood who has achieved her Goldfish level 1 swimming certificate. Amelie has worked hard to achieve this standard in her swimming and is very keen to tackle the next level now. Good luck Amelie and keep up the good work.

I hope you all have a lovely weekend.

*Debbie Main*
