

## Editing

Today I would like you to edit your work.

Editing is a really important writing skill. It helps us to ensure our writing is as good as it can be and make improvements or correct mistakes.

1. I would like you to use this link to the online dictionary to correct any spelling mistakes.

<https://dictionary.cambridge.org/>

2. Use this online thesaurus to up level some of your vocabulary by finding alternative words.

<https://www.thesaurus.com/>

3. Check the success criteria have you used all of the features correctly and made sure your sentences make sense.

Feature	Purpose
Full stops and capital letters	So the sentences make sense and it's easy to see where a new sentence begins.
Adjectives	To give the reader a picture in their minds or what the dragon looks like.
Accurate verbs	To tell my reader exactly what the dragon is doing Instead of <i>the dragon came out</i> use, <i>the dragon crawled out</i> .
No missing words	My writing makes sense and it is easy for the reader to understand.
