

### **Summer Reading Challenge!**

Visit CREDITON LIBRARY this summer to take part in the Wild World Heroes Summer Reading Challenge. This year, 'The Reading Agency' has partnered with WWF to create an exciting challenge which will inspire children to take action for nature and the environment. With stickers to collect and plenty of brilliant books to enjoy, the challenge is the perfect summer activity to build young readers' skills and confidence during the long break from school. Children who manage to read 6 or more books will earn a special medal and certificate. You can find out more at [devonlibraries.org.uk/web/arena/children](http://devonlibraries.org.uk/web/arena/children)

Dear Parents and Carers,

**Year 6 Performance** Congratulations to our Year 6 children who produced a brilliant performance of 'Robin and the Sherwood Hoodies' this week. All of the children worked really hard and performed fantastically well. The singing and acting were very impressive and all of the children really enjoyed themselves.

I must thank all of the staff who helped to make the performance such a great success – an awful lot of hard work went on behind the scenes. Many thanks must also go to all of the parents who supported the children with their costumes and the performances. Thank you and well done to everyone!

**Britain in Bloom** Mrs Powlesland and her team of budding gardeners and volunteers have once again worked their magic in the school garden to turn a very neglected garden area into a fabulous looking garden. The gardening club, along with a wide range of children from across the school and some fabulous parents, have all worked incredibly hard to ensure that the garden was ready for this year's Crediton entry into the Britain in Bloom competition. The judges from Britain in Bloom were very impressed by what they saw in the school garden this week and thought the children's enthusiasm, enjoyment and knowledge of gardening was outstanding. We have to thank Mrs P and everyone else who was involved for their hard work over the past few months to get the garden to the standard it is now – what a fabulous achievement everyone.

## PE Kits in September

Children will still be allowed to wear their PE kit to school on the days that they have PE next year. They will, however, be expected to wear the correct PE kit which is black / navy shorts or tracksuit (unbranded) with their coloured PE T-shirt and their school sweatshirt or fleece over the top. No football kits or other club kits will be allowed.

**Term Dates 2021-22** Please find the term dates for the next academic year below. The coloured days are days when the children do not attend school.

**Year 5 Farmers** On Wednesday, Mr Seller and Miss Hearn's class were lucky enough to visit the Searle's Dairy Farm. They learnt about how farmers can be 'Climate Heroes' and all the measures that the farm takes to limit its impact on the environment and reduce its carbon footprint. They then watched the cows being milked and collected some of this milk which they turned into cheeses (ricotta). Later in the day, they made delicious cheesecakes with eggs from the school chickens! Arla and Mole Avon also provided goodie bags for the children. We would like to thank Oliver Searle and his family for providing us with such an amazing farm visit and thank Mole Avon for supporting the trip. It truly was a fabulous experience for all of the children.

**Blue Peter Challenge!** As part of their Climate Heroes topic, Miss Maddison's class signed up with Blue Peter to complete three pledges which were all aimed at helping the environment. They made beeswax wraps as an alternative to plastic wrapping for food, they designed and created a local menu to reduce the food miles and they tried their best to reduce electricity use in the classroom by turning off appliances when they weren't using them. Having been successful, all of the children received a Green Blue Peter Badge. It was Evie Harris' idea and she has received a special certificate for inspiring the class to take on the challenge!

**Year 6 Summer Club** Richard Martin, one of Crediton's Youth Workers, is running a summer programme of activities on a Monday for all year 6 children across Crediton. You should have received information about this but if you haven't and are interested in your child attending the club, please email Richard on: [youthwork@crediton.gov.uk](mailto:youthwork@crediton.gov.uk) You will need to book before the date.

**School Dinner Menu** The current menu is continuing until the October half term, starting with week one when we return in September.

**School Grounds** Although the school grounds will be open to our families over the holidays, please be aware that the holiday sports club is running for four weeks so they will need specific areas kept clear for the children. Thank you.

**Good Bye and Thank you** I would just like to wish all of our Year 6 children the best of luck for moving onto their new schools in September and lots of luck for their futures. They have been a fabulous group of children with amazing qualities and everyone at Landscore will miss them. I would also like to say one last thank you to our staff members who are leaving this week: Mrs Brooks, Mrs Strawson and Miss Wray-McCann. They will all be truly missed but we wish them all the best of luck for the future.

**Congratulations** to Lyra Dickinson for achieving her STANley 7 Swimming award. Lyra had to perform a star float, swim 10 metres using both front crawl and back crawl, swim through a submerged hoop and many other challenging activities in order to qualify for her award. What a great achievement Lyra, very well done.

**Please remember** - today is the last day of term and the children return to school on **Tuesday 7<sup>th</sup> September**.

Many thanks to all of you for your continued support and partnership during this very challenging year. I really hope you all have a fabulous summer holiday and look forward to seeing you again in September.

*Debbie Main*
