Dear Parents and Carers,

A Great Start to the Year! Many thanks to everyone for making the start of the year a really positive one. I am told that there has been a very calm and positive feel around the school, that behaviour has been excellent and that all of our new children have settled in really well. I can honestly say that I have really missed everyone and am very excited about seeing all the children again on Monday.

Sometimes then, so the stories went, enchanted islands would appear in the empty ocean to the west of Wildsea..."
