Today, I would like you to play 'Counting Tennis'. Count forwards and backwards from 0 to 10, taking turns to say the next number....use a number line to help you.

Take turns to count forwards....

0 1 2 3 4 5 6 7 8 9 10

...and backwards.....

10 9 8 7 6 5 4 3 2 1 0

Now choose a different starting number to count forwards....

4 5 6 7 8 9 10

...and backwards....

7 6 5 4 3 2 1 0

EXTENSION: Now play with numbers up to 20
