Theme

Last day of home schooling! Well done everyone. We can't wait to see the children back in class. Don't forget to show us your posters and books that you have made this week.

Take some time to appreciate all of the wonderful things in our world...the plants/animals/flowers/kind people. Go on a walk (last one I promise!) and have a look round at all the wonderful things our world has to offer. Have a look at the changes that are happening in our environment. Has Spring sprung yet? What happens at the end of winter to the trees and plants? Can you see any new shoots of Spring yet?

When you come back to school we will be looking at '**Spring**'. We can't wait to see what you have found out already...
