

Thursday, 4th March

Today is World Book Day!

My favourite book is called 'Dogger' by Shirley Hughes. Have a look at it by [clicking here](#)
It is such a special story because it is about being kind and because someone is kind, the story ends happily.

What is your favourite story? What happens in your story? Why do you like it? Write a sentence (or a few) about your favourite story and why you like it.
